

Graham Freifeld

University of Edinburgh, Edinburgh, EH8 9AB, UK

Email : grahamfreifeld@gmail.com

<https://gfreifeld.github.io>

Education

- PhD student University of Edinburgh, 2022 - present
Advisor: Heng Guo
- BS, mathematics and computer science UC Santa Cruz, 2018 - 2022

Research Interests

- Algorithms and complexity for counting and sampling problems
- Counting and reconfiguration of planar structures (triangulations, non-crossing spanning trees, non-crossing matchings)

Articles

- Simulating Gaussian boson sampling on graphs in polynomial time
Konrad Anand, Zongchen Cheng, Mary Cryan, Graham Freifeld, Leslie Ann Goldberg, Heng Guo, and Xinyuan Zhang
arXiv: 2511.16558
- Sink free orientations: a local sampler with applications
Konrad Anand, Graham Freifeld, Heng Guo, Chunyang Wang, and Jiaheng Wang
doi: 10.4230/LIPIcs.APPROX/RANDOM.2025.60
arXiv: 2502.05877
- Rapid mixing of the flip chain over non-crossing spanning trees
Konrad Anand, Weiming Feng, Graham Freifeld, Heng Guo, Mark Jerrum, and Jiaheng Wang
doi: 10.4230/LIPIcs.SoCG.2025.8
arXiv: 2409.07892
- Approximate counting for spin systems in sub-quadratic time
Konrad Anand, Weiming Feng, Graham Freifeld, Heng Guo, and Jiaheng Wang
doi: 10.46298/theoretics.25.3
arXiv: 2306.14867

Seminars/Workshops

- Jerrumfest
Queen Mary University, July 2025
- Scottish Combinatorics Meeting,
Postgraduate Combinatorial Conference
University of Glasgow, April 2025
- Workshop on the Combinatorial, Algorithmic, and Probabilistic aspects of Partition Functions
University of Amsterdam, March 2025
- ADYN Summerschool on Algorithms, Dynamics, and Information Flow in Networks
Dortmund University, July 2024
- Cambridge Algorithms and Complexity Workshop
Cambridge University, April 2024

Teaching

- Tutor, University of Edinburgh
Fall 2023 - INFR11201 Randomized Algorithms
- Tutor, University of California at Santa Cruz
Spring 2022 - CSE 102 Introduction to Analysis of Algorithms
Winter 2022 - Math 111A Algebra
Fall 2021 - CSE 102 Introduction to Analysis of Algorithms
Winter 2021 - CSE 102 Introduction to Analysis of Algorithms

Work experience

- Assistant research technician
Lawrence Berkeley National Laboratory
Summer 2018, 2021
